

Subject: Keowee Anglers Summer Real-Time Fishing Meeting Thursday June 1 starting 10AM in the Lakeview Room Keowee Key North (Tall Ships) Marina.

Bill Walker will run this meeting.

The format of this meeting is informal and everyone who comes shares what in the last week or so is not working (so others know not to try that) and what in the last week or so is working (so others know to try that instead). Also, general questions about fishing, gear, etc. are welcomed and will be discussed.

These Real-time meetings will be at the usual Keowee Anglers non-tournament meeting time: 10AM to noon on the first Thursday of each month (June, July, August & September). PLEASE NOTE: while the meetings start at 10AM, they may end early if the people who attend run out of things to discuss, so be sure to be on time!

Minutes of these meetings will not be published. So if you want to learn what's happening now or seek answers to fishing questions you need to come to the meeting.

Please email Bob Stromberg at keoweefishin@gmail.com with any questions.

Look forward to meaningful exchanges

Directions

From wherever you start, take your best route to the traffic light at the junction of routes 183 and 130 at Keowee Key and Wells Fargo Bank.

Turn off of route 183 and follow route 130 north toward Salem for 2.0 miles.

Turn right into the North Entrance of Keowee Key. (This entrance appears quite suddenly immediately after an S-turn in route 130)

Go in through the normal exit at North Gate, then down the hill to the meeting room.

Give the guard your name and explain that you are coming to "the monthly meeting of the Keowee Anglers".
